

# SPOS G86-61400

Models may vary from the image shown

## Freely programmable USB keyboard with flexible layout and a dust and water resistant key field in accordance with IP54

The height of professionalism in both look and function. The fully programmable keyboard with extended alphanumeric layout and replaceable keys is designed first and foremost for commercial use at the POS. The model is extremely slim with its compact design and can also be inserted in recesses in the table.

## Key benefits

- Full Alphanumeric Layout incl. Numeric Keypad
- Compact – only 360 mm width
- User-friendly unstinted standard 19 mm key spacing
- IP54 rated spill and dust resistant key section
- Flexible layout customization with exchangeable relegendable keys
- Fully programmable USB 2.0 keyboard
- Comprehensive UPOS support
- Integrated memory
- Cut-out mounting capabilities (circumferential rim)
- Pluggable feet

## Technical Data:

### Layout (country or language):

Product dependant, see table "Models"

### Housing colour:

Product dependant, see table "Models"

### Key colour:

Product dependant, see table "Models"

### Weight (product):

approx. 1400 g

### Total weight (with packaging):

approx. 1600 g

### Cable Length:

approx. 1.85 m

### Storage Temperature:

-20°C to 60°C

### Operating Temperature:

0°C to 50°C

### Current Consumption:

max. 100 mA

### Interface:

- USB

### Product approvals:

- cURus 
- GOST-R 
- CE 
- FCC 

### System requirements:

- USB plug and USB supporting operating system

### Delivery Volume:

- SPOS G86-61400
- Printed instructions
- CD-ROM with up-to-date software
- Key removal device
- 2 Pluggable feet

### Dimensions (product):

approx. 360 x 198 x 38 mm

### Packaging dimensions:

approx. 415 x 260 x 50 mm

### Reliability:

- Standard keys (1x1): >25 mill. operations
- Multiple keys (1x2, 2x1, 2x2): >20 mill. operations

### Keyboard:

- Protection class: IP54
- Service life, standard key: > 20 million key operations
- Inscription technology: Laser
- Number of Keys: 135
- Number of programmable keys: 135
- Number of inscribable keys: 54

### Packaging Unit:

- Number of products in the master package: 15
- Number of master packages per pallet: 8

### Warranty:

2 years

Errors, technical changes and delivery possibilities excepted. Technical information refers only to the specifications of the products. Features may differ from the information provided.
